

CLIDIVE BSAC 410 SHARING THE ADVENTURE

Heinke Trophy 2019 - the competition is on!

WHAT IS THE BSAC HEINKE TROPHY?

The Heinke Trophy is awarded annually to the club considered to have done the most to further the interests of its members and of BSAC. To stand the best chance of success, we must...

1. Showcase the thrilling, challenging and rewarding nature of our diving activities, and
2. Demonstrate how Clidive is part of something big and how our aims and activities align with those of BSAC's mission: Grow the nation's love of scuba diving.

Clidive has won twice before - in 1999 and in 2009. For 2019, in our 50th Anniversary year, can we make it a third?

WHY ENTER?

It's a journey not a destination...

When the club has made a Heinke submission in the past, there were long-lasting benefits in addition to the satisfaction of winning the trophy.

A Heinke submission gives us the opportunity to create a theme for all club activity over 12 months. Encouraging all our members to get involved, and representing what we think Clidive is all about, our theme for this year is **SHARING THE ADVENTURE**.

WHAT CAN YOU DO TO HELP?

This is a competition for the whole club to take part in - no matter your level. Whether it's about training, planning trips, getting yourselves (and the rest of us) involved in a campaign, or simply expanding your experience - the Heinke is an excuse to push yourself. Basically, make 2019 the year to...

- Move up a dive grade and/or
Do at least one SDC
- Do more dives than you did last year
- Do the IFC or move up an instructor level
- Do a SeaSearch Course
- Try and attend every social

- Encourage a friend to take up diving
- Like Clidive tweets and facebook posts
- Join the lifeguard rota
- Offer to help run the Clidive 50th Birthday party
- Write a trip report
- Take photos

Take part, join in & share the adventure!
